Finite concentration effects
S_2
Time (model units)
$K = 100$
$K = 1000$
$K = 10000$
$K = \infty$
Convergence of period
Period
Independent shooting
First-order response (numerical)
$1/K$
1e−2
Convergence of amplitude
Peak-to-peak amplitude
Independent shooting
First-order response (numerical)
$1/K$
1e−2
